About the Conference

Professor C. R. Rao is among great Indian Statisticians, the world ever seen, and we are all proud of witnessing his birth centenary year in 2020. The virtual conference ALAPS 2020 will be organized by CARAMS, MAHE, in honor of him, celebrating the birth centenary year.

Many of his great students, collaborators and his admirers are expected to take part, share their thoughts on Rao and knowledge to celebrate the occasion, inspiring the young minds participating in the conference.

The theme of the conference shall focus on

- Theory and Applications of Linear Algebra and Matrix Theory
- Mathematical Statistics such as Probability theory, Multivariate Analysis and Statistical Inference
- Applied Statistics such as Econometrics, Biometrics, Bioinformatics, Biostatistics, Mathematical Genetics and etc.
- Network Theory and Applications

The conference consists of several invited talks from different Mathematicians and Statisticians who are associated with Prof. C. R. Rao or working in the area in which Rao contributed. Organizers welcome contributory talks (12 min each) from the participants, on the topics from theme area.

Speakers and participants may join through the web link appearing in the individual page (My Page) of CARAMS, which requires registration for the event. Alternatively, limited number of delegates may join the event from any of the following locations with due consent from the organizers:

- Department of Data Science, PSPH, MAHE, Manipal
- Department of Mathematics, MIT, Manipal
- Department of Mathematics, SMIT, Sikkim
- Indian Statistical Institute, Delhi

About MAHE, Manipal

Manipal Academy of Higher Education is synonymous with excellence in higher education. MAHE is one of India's leading academic and research institutions. It has been granted Institution of Eminence status by the Ministry of Human Resource Development, Government of India. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town, nestled on a plateau in Udupi district of Karnataka. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in Health Sciences, Engineering, Management, Communication and Humanities which dot the Wi-Fi-enabled campus. The University has off-campus in Mangalore and Bangalore, and off-shore campuses in Dubai (UAE) and Melaka (Malaysia). The Mangalore campus offers medical, dental, and nursing programs. The Bangalore Campus offers programs in Regenerative Medicine. The Dubai campus offers programs in Engineering, Management and Architecture, and the Melaka campus offers programs in Medicine and Dentistry. Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education. About CARAMS

CARAMS has been established in September 2018 at MAHE with the objective of fostering advanced research and training in the area of Mathematics, Statistics and their applications. It facilitates to bridge the gap between Mathematicians/Statisticians and Applied Mathematicians working in the area of Health, Technological, and Social Sciences.
